"I have omitted the Earle of Cumberland his Horse and foot, The Marqueffe Haertfords Horfe and foot the Earle of Darbies Horfe and foot, which is at leaft 16000

None of which have been as yet with His Hajeftie, fo that in all parts His Majefties Army of Horfe and Foot is fuppofed to be 40000 Souldiers."

Notes: * This is the Prince of Wales' Regiment of Horse
Christian names have mainly been added from other sources.

This list was published in London on 12th November 1642 but appears to be from a couple of periods. The Horse list is approximately September 1642 but Sir Faithfull Fortescue did not change sides to the King until Edgehill in October and Newcastle's commission was early November.
