Coloenl John Dalbier's Regiment of Horse*

Colonel Adam Cunningham's Regiment of Dragoons**

The Train: under the command of Colonel James Wemyss

16 or 17 pieces including:
1 demi-culverin called 'Kill Cow'
3 drakes, from the Leadenhall Store
1 'demi-culverin drake' (?)
1 saker

* These four regiments totalled 22 troops.

** Editor's Note: There is no trace of such a regiment elsewhere – this is almost certainly Cunningham's Regiment of Foot mounted as a regiment of dragoons for this expedition only.
