FROM ADC

TO SANSO/CC/LOS ANGELES AF STA CALIF/

SPECIAL INSTRUCTIONS

DISTRIBUTION

EO

SECRET E

SUBJECT: AIRBORNE SATELLITE INTERCEPTOR (A). FROM LT GEN MCGEEHEE TO LT GEN PHILLIPS.

I HAVE RECENTLY BEEN BRIEFED ON THE FEASIBILITY OF UTILIZING AN F-106 AND A MODIFIED STANDARD ARM MISSILE TO PERFORM SATELLITE INTERCEPTION. CAPTAIN SOULIA, THE SMC PROJECT OFFICER, HAS WORKED WITH YOUR PLANS PEOPLE DURING THE COURSE OF HIS ANALYSIS. IT IS MY UNDERSTANDING THAT SANSO PLANS IS CONSIDERING A SMALL IN-HOUSE EFFORT TO REFINER OUR WORK. I BELIEVE THE IDEA HAS MERIT AND WOULD BE INTERESTED IN SANSO'S FINDINGS. CAPTAIN SOULIA WILL BE AVAILABLE TO BRIEF YOU AND YOUR STAFF AT YOUR CONVENIENCE. GP-1.
